

**Job Title:**

NCR MD: Psychologist –Fort Belvoir Community Hospital, VA (0-5 billet, Supervisory)

**Job Description:**

The Supervisory Psychologist will provide individual, family, and/or group psychotherapy; formulating clinical problems lists and treatment plans consistent with professional guidelines and medical treatment facility Standard Operating Procedures (SOPs); providing crisis intervention; consulting and conferring with Department of Defense (DoD) consultants and other providers as appropriate; giving psychological advice on the telephone as appropriate; completing required paperwork in accordance with relevant SOPs; conducting assessment and treatment planning in a timely and appropriate manner; utilizing paraprofessionals after having received appropriate authorizations; and providing tele-psychology evaluations. Performs intake evaluations and provides treatment of adults using individual and group modalities and recognized treatment strategies based upon accepted theories, principles, and practices, and participates in multi-disciplinary treatment team collaboration (i.e., social workers, psychiatrists, nurses, and psychological technicians). Patients and their families come from extremely diverse socio-cultural backgrounds, possess both medical and non-medical histories, and represent a wide range of unique, difficult, and complex problems. Serves as a primary consultant to medical treatment facility for issues related to military-specific and military-unique aspects of psychological practice, to include, but not limited to, command-directed evaluations. SUPERVISORY DUTIES: Evaluate work performance and subordinates and/or trainees; Give advice, counsel, or instruction to employees on both work and administrative matters; Interview candidates for positions in the unit; Recommend appointment, promotion, or reassignment to such positions; Hear and resolve complaints from employees and/or trainees, referring group grievances and more serious unresolved complaints to a higher level supervisor or manager.

Maintains all basic readiness standards as required by the U.S. Public Health Service.

PHS officers assigned under this Memorandum of Agreement (MOA) must remain available for PHS deployments. Under this MOA, PHS officers are not authorized to deploy with the military.

**Requirements:**

License: A current, unrestricted, and valid license as a doctoral level clinical psychologist from a U.S. State (as defined in 42 USC 201 (f)) is required.

Training: The candidate must possess a Ph.D. or Psy.D. in Clinical or Counseling Psychology from an accredited academic institution. Experience working with a military population. This is a unique opportunity to join a talented and multidisciplinary mental health team located within a world-class facility that is dedicated to serving the nation's active duty and their family members.

**Additional Requirements:**

Initial assignment term is a 3-year obligation.

**Location Description:**

9300 Dewitt Loop  
Fort Belvoir, VA 22060
